About Me

A highly motivated Computer Science student at Universiti Teknologi Malaysia (UTM) with a passion for software development, web technologies, and problem-solving. Seeking an internship opportunity to apply my technical skills in a dynamic work environment while continuously learning and growing in the industry.

Experience

Seeking Internship-IT Support & Web Development

- Interested in opportunities to apply skills in website development, IT support, and database management.
- Proficient in HTML, CSS, JavaScript, and database systems.
- Enthusiastic about troubleshooting technical issues and improving system efficiency.

Project & Achievements

Personal Website Portfolio

- Designed and developed a portfolio website to showcase projects and skills.
- Implemented interactive UI with animations for better user engagement.

Mobile Application - Task Manager

- Developed a mobile app using Java and SQLite for task management and reminders.
- Implemented user authentication and data storage functionalities.

Android Login App

- Built a mobile application for user registration and login using SQLite.
- Integrated form validation and secure login mechanisms.

Certifications

- Google IT Support Certificate
- Udemy Web Development Bootcamp
